# YOU ARE a 'visiting student'

Remember about this when you check information online!

You go abroad for 'short-term' studies. This scheme is similar to the one offered by the **ERASMUS PLUS** and **US STUDENT EXCHANGE SCHEMES**. Therefore, lots of rules concerning your stay is the same with the rules for the Erasmus and Exchange Schemes. But not all of the rules are the same. For example, exchange students may be exempted from the payment of the tuitions, while you are not.
